NEWS RELEASE

For Immediate Release

INTERFACE CABLE ASSEMBLIES AND SERVICES CORP. (ICAS)

COMMENCED WORK RELATIONSHIP WITH LEADING FINANCIAL INSTITUTION

Long Island City, NY, February, 2011 - ICAS, a leader in single source solutions in design, engineering and implementation of network infrastructure technology, commenced national support of infrastructure technology including, moves, adds, and changes for a world-leading global financial institution. As one of the world's largest investment banks, employing hundreds of thousands of people who serve millions of clients, ICAS has an unprecedented opportunity to manage the company's core technology.

Please contact ICAS for further information. ICAS will not make public the names of its clients; the company's policy is to protect the privacy of every client.
